ARTISTIC RENDERING

As of today, Max Estates has curated a diversified portfolio of grade-A sustainable residential and commercial offerings across Delhi NCR. Backed by this successful track record, we aspire to grow our portfolio by adding at least 2 million sq. ft. every year, and spread the essence of LiveWell across Delhi NCR.

Helping you LiveWell and WorkWell.

Our philosophies of LiveWell and WorkWell, in our residential and commercial experiences respectively, are designed to improve our residents' well-being through our nine key pillars.

Senior living managed by

Expert Senior Care, *Apno Jaisi*

Estate 360's purposeful approach to intergenerational community living lends special attention to the well-being of all age groups.

Antara, a pioneer in the field and the only integrated senior care ecosystem in India, will manage dedicated senior living residences and spaces at Estate 360. With a commitment to nurture thriving communities where each member feels valued, healthy, and enriched, Antara offers residential living experiences, assisted care solutions and products to manage chronic health conditions through its various verticals:

Intentional
intergenerational
living

Indian culture has always been rooted in certain values — *togetherness, belonging* and learning from our *elders*.

With time has come the need to balance these values with the evolving needs of families — *privacy, individuality* and the importance of *personal space*.

Embracing *tradition* to offer a unique approach to intergenerational community living, Estate 360 honours the needs of *adults, families with children, and seniors*.

A vibrant ecosystem that...

Instills values of empathy, kindness and service in the young, and sensitises them to the concept of healthy ageing

Provides seniors with companionship, emotional support and a sense of safety. Helps seniors develop a deeper understanding of young people.

A vibrant ecosystem that...

Improves children's language development, reading and social skills through interaction with older people

(James Tappet, 2019)**

Facilitates better physical health and a higher degree of satisfaction in life through increased social contact

(Ortorgau, 2022)**

**Tappet, J. (2019, January 8). 'How the elderly can help the young - and help themselves'. The Guardian.

What makes the Estate 360 community *intergenerational*?

Diverse age groups

Bringing together people from various age brackets, including children, adults, middle-aged individuals and seniors.

Intentional design

Design, safety features and amenities catering to the specific needs of people belonging to different age groups and backgrounds.

Shared spaces and activities

Spaces and activities nurturing interaction, shared learning and a sense of community and togetherness.

A closer look
at Estate 360

Our estate comprises of six luxury residences, with two dedicated senior living residences situated on one side of the estate, allowing them access to the larger ecosystem.

Connected at every step.

WELL-CONNECTED LOCATION

A thriving community located
in Sector 36A-Dwarka Expressway,
in the heart of Gurugram's
emerging urban hub.

Designed for
real well-being.

INTENTIONAL DESIGN

Intentional architectural, interior and landscape design practices that enable physical, emotional, social and environmental well-being.

For the *young* and
young-at-heart.

AMENITIES FOR ALL GENERATIONS

A thoughtful curation of offerings for all generations, including adults, families with children, and seniors.

WELL-CONNECTED LOCATION

A home that
keeps you *connected*
at every step.

ARTISTIC RENDERING

WELL-CONNECTED LOCATION

Estate 360 offers you seamless access to a variety of amenities and environments.

Located in Sector 36A-Dwarka Expressway, our estate is built close to the confluence of the Dwarka Expressway, the proposed Delhi Metro corridor and the Central Peripheral Road (CPR). This allows it to be well-connected to Gurugram's residential and commercial corridors, such as Cyber City.

Proximity to NH-8 allows access to the Jaipur highway and seamless connectivity to Delhi NCR. Also in proximity is the Clover Leaf flyover, connecting Southern Peripheral Road (SPR), Central Peripheral Road (CPR) and NH-48, as well as a trumpet junction being built by the National Highway Authority between Dwarka Expressway and CPR.

Designed for *real* well-being.

India-inspired
architecture

Intentional
landscape design

Car-free
ground living

Biophilic approach
to design

Environmentally
conscious design

INTENTIONAL DESIGN

Discover a contemporary take on Indian *heritage*.

Estate 360 is designed to honour the traditional while embracing the modern.

The facade incorporates patterns and textures inspired by the Indian craft of jaali work, lending character and enabling ventilation as well as controlled daylighting.

The careful integration of key *vastu* principles at our estate supports our well-being orientation.

INTENTIONAL DESIGN

Enjoy the countryside, *uninterrupted.*

Evoking the feeling of an idyllic countryside, Estate 360 is designed to bring you closer to nature at every step. Lush meadows and hillocks, scenic follies, and a winding lake with a bridge meet you as you travel across the estate.

Landscaping amenities for all ages and lifestyles, such as a children's playing area, a pet park and a number of outdoor seating spaces, allow our estate to be a thriving and lively neighbourhood.

Wide pathways give pedestrians a choice in when and how they interact with one another.

ARTISTIC RENDERING

INTENTIONAL DESIGN

Experience vehicle-free *ground living.*

A designated underground vehicular system, enabled by a ramp and a separate arrival lobby, makes Estate 360 one of the few car-free residential communities in Gurugram.

Minimal vehicular circulation on our plaza facilitates ease of living, and lets both seniors and young children enjoy the estate grounds freely and safely.
